Re: *Marsh USA Inc. v. Michael Machua Millett et al.*;  
Case No. 22-cv-06656, Discovery Dispute – September 14 Deposition

Dear Judge Furman:

This firm represents Defendants in the above-captioned action. On September 7, 2022, I filed a letter-motion pursuant to Your Honor's Individual Rules and Practices in Civil Cases (the "Rules") 2(A), 2(H), and 3(E) to address with the Court the overly broad and unduly burdensome proposed topics of examination (the "Topics") that plaintiff Marsh USA Inc. ("Marsh") attached to its Notice of Rule 30(b)(6) Deposition to defendant Northeast Series of Lockton Companies, LLC (the "Northeast Series"). (Doc. No. 29). That same day, the Court entered an Order directing Marsh to file any opposition by September 9, 2022. (Doc. No. 30). The parties met and conferred after the Court entered its Order and have resolved the issue. The Northeast Series therefore withdraws its letter-motion.

We thank the Court for its very swift attention to and assistance with this matter.
